Etobicoke Girls Softball League Policy Acknowledgement Form

The mission of the Etobicoke Girls Softball League is to provide a fun and safe learning environment for all girls in our community who wish to participate in the sport of softball. As such, we require the active commitment of all members to this mission and compliance with Codes and Policies put in place and reviewed annually by the League Executive. Thank you for your commitment and cooperation.

Acknowledgement of Review of the EGSL General Code of Conduct

The EGSL General Code of Conduct can be found on our website under the Constitution & Policies area. The General Code of Conduct pertains to all members and participants in the league.

I, (first and last name) _____
 confirm that I have reviewed the EGSL General Code of Conduct, that I have discussed this policy with other persons in my family who may be involved with EGSL during the season and that we will abide by the parameters within the EGSL Code of Conduct.

Signature _____
 Date _____

(if a player is 18 years old or more, she must also sign below)

I, (first and last name) _____
 confirm that I have reviewed the EGSL General Code of Conduct, that I have discussed this policy with other persons in my family who may be involved with EGSL during the season and that we will abide by the parameters within the EGSL Code of Conduct.

 Date _____

Acknowledgement of Review of the EGSL Concussion Code of Conduct

The Government of Ontario has enacted Rowan's Law (Concussion Safety) which mandates that the EGSL must have a Concussion Code of Conduct in place which also requires participants to review the Government of Ontario issued Concussion Awareness Resources. The EGSL Concussion Code of Conduct along with Concussion Awareness Resources for each different age level of our participants can be found on our website under the Constitution & Policies area. These documents pertain to all members and participants in the league.

I, (first and last name) _____
confirm that I have reviewed the EGSL Concussion Code of Conduct and the Concussion Awareness Resource for the age of my daughter(s), that I have discussed these policies with other persons in my family who may be involved with EGSL during the season and that we will abide by the parameters within these policy documents.
